

Newsletter

Friday 11th October 2019

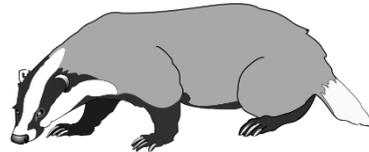

Good afternoon everyone!

This week, the children have been following their love of paint and getting messy by dipping and rolling conkers through paint and making patterns on paper. At carpet times, we have been starting to think about what will keep us happy and safe at Nursery. We will gather the childrens' ideas and create our own 'Golden Rules'. My favourite concern so far has been the trouble we have with flies!

There continues to be lots of interest in animals; we have found baby snails this week, taken our toy dogs for walks and on Monday we spent the whole day looking for badgers! Next week we will continue to observe and support love and care of animals.

Have a lovely weekend.

The Mells Nursery Team

Collecting children

We love welcoming parents into the Nursery and are happy for you to spend time with your children before you leave. If you are collecting your child after a morning session or early for another reason, we would ask you kindly to ring the bell and wait in the undercover area. We will gather your child and their things and bring them to you. This allows our door adult to keep a record of comings and goings and does not disrupt our youngest children. If you would like to see a particular member of staff, please do ask and we can arrange for this to happen.

Thank you for your understanding.

Early Years Entitlement funding forms & Invoice payment

If you are able to claim Early Years Entitlement funding for your child and you have not yet signed your claim form for this term, please see Megan in the office as soon as you can.

Thank you to those who have already paid either your first instalment or made payment in full. If you have not paid yet, please could you forward your remittance over the weekend via online payment using the bank details on your invoice.

Thank you
